

Blue tides

Probably gonna cry (a few times)
I'm an emotional guy
I'm just like malcom
When I try
I feel this pain
Even when I shine

You can feel my cry (I cry)
Feel like I'm dying (I die)
I try my best
But I don't get by
Deep down I'm human
Like you guys

Don't leave me high
Don't leave me dry
I don't want to drag you down
With me on the other side

This line is fine
'tween wrong and right
But i can try to climb this mount
'til i'm high it's like I'm flying

I can't stay on this earth no more
At this height love and hate melt
In one soul

Let me get on the other side
I just want Little piece of mind
Can't you see that I'm bad inside
I'm just trying to shut up this pain
