

# Life Like Low – Life Like Low

## (Life is Like a Low Budget Movie)

MUSICA E TESTI DI LIFE LIKE LOW

E guardo nello specchio ormai  
chi cazzo è io non lo so.  
Se fossi io che para dai,  
smoking nero o paletot

Così ambiguo da sciogliermi  
in mille personalità.  
È una vita spesa male,  
un cringe-movie a 5 star.

Life is just like a low budget movie dear,  
cause I call it home just when you're laying here,  
among stuff and people I don't give a shit.

Grottesco il giorno in cui capii  
che sarei stato poi così.  
Un self-made man nell'umido,  
mi lavo i denti col vetril.  
Un oscar best B-Movie king.  
Un oscar best B-Movie king.

Non è il caldo ma l'umidità, non è il caldo ma l'umidità.

Life is just like a low budget movie dear,  
cause I call it home just when you're laying here,  
among stuff and people I don't give a shit.  
It smells just like baby's dream to see you around with knives and cream.  
Just a naked dream to see you around with knives and cream.  
It's just a naked dream to see you around with knives and cream.

Life is like a low budget movie dear.  
Life is like a low budget movie dear.

Life is like a low budget movie dear.

Life is like a low budget movie dear.

Life is like a low budget movie dear, dear, dear.

Life is just like a low budget movie dear,

cause I call it home just when you're laying here,

among stuff and people I don't give a shit.

It smells just like baby's dream to see you around with knives and cream.

Just a naked dream to see you around with knives and cream.

It's just a naked dream to see you around with knives and cream.
