MOMBAO
SEVDAH
AUTOPRODUZIONE
70/100

Il duo composto da Damon Arabsolgar e Anselmo Luis mette in piedi un progetto performativo e sonoro che trae dalla mescolanza di lingue, suoni e tradizioni la forza e l'impatto per esprimere con concretezza la loro idea di esistenza olistica e interconnessa con il mondo. Così come le esistenze di permeano a vicenda anche i suoni si fondono e si sovrappongono in flussi sonori originali, tribali e trascendentali.
